

Coronavirus:

How to stay safe at till point

- 1 Cashier to clean hands with hand sanitiser for at least 20 seconds between each customer.

Before unpacking trolley, cashier to spray customer's hands with hand sanitiser. Customer to avoid touching bottle.

- 2 Avoid touching perspex or glass guards at tills.

- 3 Customer to swipe/insert/tap their own credit and loyalty cards or pay with SnapScan if possible.

- 4 Before leaving till point, cashier to spray customer's hands again with hand sanitiser.

- 5 Cashier to wipe till, credit card machine and surfaces with hand sanitiser or diluted bleach solution.

- 6 Packer to wipe trolley handles and clean own hands with hand sanitiser after each customer.

- 7 Cashier to clean hands with hand sanitiser after each customer.
