

Be coronavirus safe at school

Keep the classroom safe

5 Golden Rules

1. Wash hands
2. Don't touch face
3. Keep 1,5m apart
4. Cover your cough
5. Sick? Stay home

Always wear
a mask

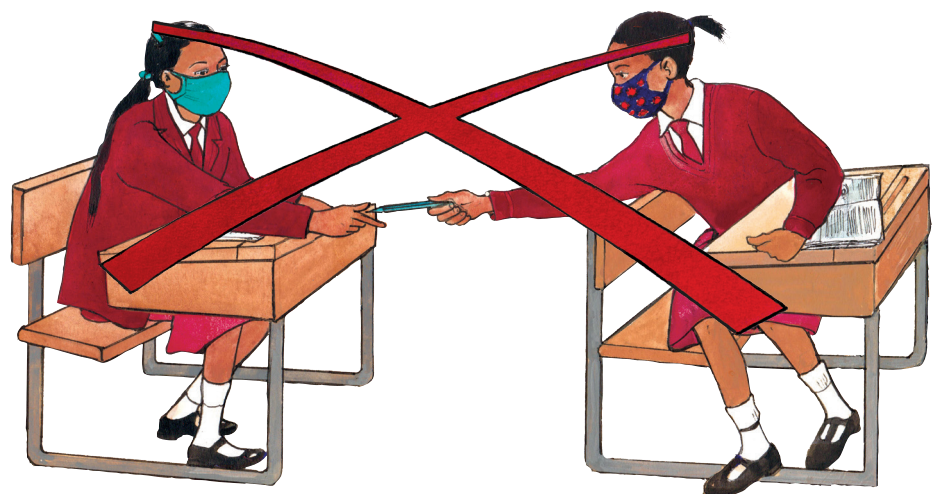

Keep safe

- Wear a mask when in the classroom.
- Clean hands before entering and leaving.

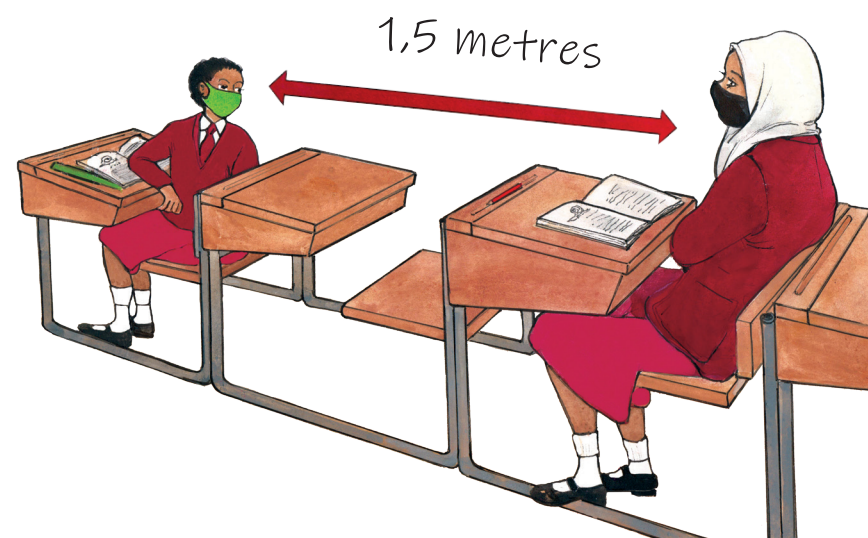

During classes

- Remind the class of the 5 Golden Rules at the start of every day.
- Keep windows and door open. Report windows that don't open.
- Do not share stationery, books and other items.
- Keep 1,5 metres away from others.

Classroom arrangements

- Learners should sit at the same desk every day, with only one learner per desk if possible.
- Arrange desks in rows facing forwards and as far apart as the room will allow.
- Teachers should move between classes for lessons, instead of learners.
- Rearrange lesson plans and activities to minimise sharing of books and other materials.
